

## Area Picnic Shelter Reservation Fee Comparisons – 2021

Our fee structure for shelter rentals was established in 2007 and has not been changed since that time. A survey of local parks has been done to compare our prices against what other localities are charging for their shelter reservations.

To be sure of a fair comparison, care has been taken to compare only shelters of the similar size as those at Oak Ridge Town Park.

Municipality	Shelter Capacity	Half-day Day Fee	Full-day Fee	Comments
Town of Oak Ridge	64	\$30 (4 hours)	\$50 (4+ hours)	Non-residents add 25% to fee. Non-profits are 20% of fee.
Town of Summerfield (Community & Athletic Parks)	SAP – 50 SCP – 75	\$25 – 2 hours + \$15 each additional hour		Non-residents are \$40 for 2 hours. + \$20 each additional hour

- The Advisory Board unanimously voted to approve these changes.***
