RE: Horse trails at Whitaker property

I have spoken to Frank (Whitaker) and asked if it ok to include his request in our recommendation and he said yes.

I do not know if this is the proper time to present it or not. We did listen to several OR residents and tried to consider their wishes in preparing the recommendation from our board as well as doing what we felt right and proper for ORT Park.

I hope the Park Advisory Board WILL NOT recommend horse trails in the park. The use is not compatible with pedestrian traffic, athletic activities and preservation of the grounds.
