I am a Licensed Building Contractor in Virginia and North Carolina. I specialize in remodels and additions. I have built a small number of new homes as well. My main body of work was in the Smith Mountain Lake high end market until a little over three years ago when we moved to Oak Ridge. I have worked with both Building officials and Planning and Zoning officials in both states, with great success.

I lived in Greensboro from the age of 10 when my Father moved Ciba Geigy here in 1972. I graduated from UNCW in 1985 and moved back to Greensboro to begin my career with Yost and Little Realty. My wife and I started Best Friends Bed and Biscuit in 1990, along with a landscaping firm. We were blessed with amazing success as the first luxury pet care facility in the area. We sold it in 2006 and moved to our home in Virginia.

As someone who has built and owned a business in Guilford County, in the watershed zone, I became very familiar with many aspects involving zoning and the importance of environmental impacts of construction. I feel my experience in this field could of benefit to the committee and I would enjoy volunteering and learning more about this as an alternate on the Planning and Zoning Advisory board.

As an aside, I am also one of only two general contractors with God's Pit Crew, a non-profit disaster relief organization. My main work with them involves supervision of rebuilding residential homes after natural disasters, but I also worked with them to renovate a number of school buildings at Moffit School in Moffit, Oklahoma last summer, after the devastating floods in that area.

Thank you for your consideration!

Eric A. (Rick) Schlaginhausen, II
